The first thing you need to do is work out if you're after a roller door or a sectional door. Roller garage doors roll up like a carpet to sit above the garage opening, while sectional doors slide up and along to sit flush with the roof of the garage. To see exactly which door is best for you and your family's home click through to our handy guide. Explore our residential garage door range Roller Door Range B&D; designed the original automatic garage roller door 60 years ago, and they're still popular today. Click to find out everything you need to know about rolling garage doors. Roller Doors Roller Doors Roller Doors Sectional Door Range Sectional garage doors have become the new standard in garage door design, perfect for a modern looking home. Click below to learn everything you need to know before making a purchase. Sectional Doors Sectional Doors Sectional Doors Designer Finishes B&D;'s range of designer finishes garage door blends form and function to bring you contemporary, architecturally inspired doors in stunning finishes and textures. Designer Doors Designer Doors Designer Doors Use the filter to find your perfect garage door Use B&D;'s specially formulated garage door selection filter to find the perfect garage door to complement your property. Once you've selected your criteria click APPLY and watch as the filter sorts through our full range of garage doors and finds exactly which door is best suited to your needs. Filters Filters Filters sort by most popular sort by most popular sort by most popular most popular A-Z Z-A Filters Residential door range Roller Sectional Designer Finishes Size Single garage door Double garage door What is the door for? Wooden & Timber Look Designer Finishes Achieve a premium wood look without the upkeep with B&D;'s range of wooden and

timber look finishes. Elevate a home's exterior with an architectural sectional door with a Knotwood finish. Read more about wooden & timber look Read more about wooden & timber look Read more about wooden & timber look Colorbond® Garage Doors Sectional Doors Your garage door is usually one of the most visible features of your home, so it's important that it looks the part. And whether you're coordinating colours with other Colorbond® steel elements around your home, or with other building materials, the Colorbond® colours can help you to easily co-ordinate your garage door with the rest of your home's colour scheme. Read more about colorbond® garage doors Read more about colorbond® garage doors Read more about colorbond® garage doors Tilt Doors Roller Doors A tilt garage door is often found on smaller garages or car spaces, built as a single panel and reinforced with a frame. As their name suggests, the door opens by tilting outwards and swinging upwards. At B&D, we believe safety and convenience should be the utmost importance in choosing the right garage door, which is why we do not manufacture tilt garage doors but rather a tilt door alternative called Flex-A-Door. Read more about tilt doors Read more about tilt doors Read more about tilt doors Commercial Roller Doors Roller Doors Whether you own a large warehouse, small storage space or shopfront, B&D's commercial roller doors are designed to protect your premises. Constructed from sturdy materials and featuring a range of key security features, each commercial roller door is custom-made to your exact requirements to ensure safety, security and easy operation. Read more about commercial roller doors Read more about commercial roller doors Read more about commercial roller doors Commercial Sectional Doors Sectional Doors Ideal for carparks, shopping centres, private parking and shopfronts, a B&D sectional door is the best commercial door option for your business. Constructed from sturdy materials that ensure optimal security, plus a range of modern insert options and colours to choose from, every B&D commercial sectional door is tailored to your exact needs and design requirements. Read more about commercial sectional doors Read more about commercial sectional doors Read more about commercial sectional doors 1 2 3 Why Choose B&D; Safe as can B&D; Reliable as can B&D; Quiet as can B&D; Smart as can B&D; Original as can B&D; At B&D, we prioritise your safety. As a main assembly point, with family and friends coming and going, we understand that safety is paramount for a garage door. With several innovative safety and security features, a B&D garage door will keep your family and belongings safe and secure. Added Security A standard garage door is vulnerable when closed. B&D's AUTO LOCK™ technology automatically secures your garage door with a heavy-duty bolt without manual intervention, ensuring your door is locked shut. Added Protection Accidents can happen in a flash. That's why B&D's sectional garage doors feature a pinch-free design to prevent fingers or hands from getting caught while the door moves. With pinch-free technology, everyone is safe, no matter how often the garage door is used. Safety and Security For extra safety and protection, B&D's safety beam will pause or reverse your garage door if there is any obstruction, providing peace of mind and convenience for people with mobility or disability challenges. Tough and reliable, our garage doors are built to stand the test of time. For over 65 years, B&D has used the highest quality materials to craft our garage doors and consistently innovated and improved our products. Built to last As the inventors of the Roll-A-Door, B&D has been at the forefront of garage door innovation. From our early days of on-site adjustments to our dedicated research and development team, we've continually perfected our products for durability and reliability. Market-leading Warranty As the only garage door manufacturer who manufactures garage doors and openers, we offer quality products that can't be found anywhere else. We believe in our products so much that we provide a market-leading 10-year warranty. Australian Made Safe, reliable and durable. Our garage doors and openers are made from premium quality materials and designed and tested in Australia. Rigorously tested for over 30,000 cycles, B&D garage doors provide long-lasting performance. Peace and quiet shouldn't be a luxury. B&D's dedication to thoughtful design and engineering has resulted in garage doors that are not only durable but also operate quietly and smoothly. Quiet Glide Engineered with Nylofelt running strips, our B&D roller doors provide a smooth and quiet garage door solution. So, whether you're coming home late or simply don't want to annoy your neighbours, you don't have to worry about your garage door. Peace and Quiet B&D insulated doors are designed to create a quieter living space and block unwanted noise from inside and outside your garage. Quiet Convenience Unlike other garage door solutions, B&D doors are designed for durability, quiet operation, and consistent performance. With B&D, you can enjoy a peaceful and enjoyable living environment that enhances

your daily life. Make life smart and simple with B&D.; Life can be stressful at the best of times, and our innovative garage door solutions eliminate the stress of wondering if you've closed the garage door or missed a delivery. Whether you're a busy parent or a working professional, B&D; offers convenience and peace of mind. Smart Phone Control Control your garage door from anywhere with B&D;'s Smart Phone Control Kits. Simplify your life and stay connected to your home, even when you're on the go. Our kits offer easy setup and reliable performance. Real-Time Notifications Designed to alert you whenever your garage door is opened, obstructed, or left open for a period, our B&D; smart garage door opener allows you to monitor your garage door from wherever you are. Enhanced Security Monitor, control and protect your home with B&D.; With the B&D; App, you can quickly and easily check your garage door, grant access to the postman or babysitter, and customise the settings to suit your lifestyle. Your house isn't a home without your valuable possessions. At B&D;, we understand that, and our innovative solutions have earned the trust of Australians for decades. From the invention of the Roll-A-Door to the invention of the Nylofelt running strips and smartphone application, we have been committed to providing reliable and market-leading garage door solutions for your home. Pioneering Innovation B&D; Garage Doors is an Australian icon. A staple of many Australian homes, we are known for our innovative garage door solutions, including the invention of the Roll-A-Door. We have been revolutionising the industry for over 65 years. Market leading warranty As the only manufacturer of both garage doors and openers, our products are tough, reliable, and secure. Built to last, we back our products 100 per cent and offer a market-leading 10-year warranty that gives you peace of mind. Trusted Australian Brand From humble beginnings to a household name, B&D; has established itself as one of Australia's most trusted brands. Our garage doors are crafted with premium materials, ensuring durability, reliability and innovative design. Need help finding something?
