Investing in a new garage door is more than just an aesthetic upgrade it's a strategic decision that impacts your home's security, convenience, and lifestyle. Just like buying a new car, choosing a garage door solution that will stand the test of time is important. At B&D;, we understand that what's behind your garage door makes your house a home. We've been making safe and reliable garage doors for over 65 years. This is why we're a staple in many Australian homes, and the most trusted garage door brand. Built to Last Since inventing the B&D; Roll-A-Door in 1956, we've continually worked to improve and innovate our garage doors. In the early days of B&D;, Arthur Byrne visited the first customers of roller doors, making small adjustments on-site to ensure they worked properly and lasted for years. This philosophy led us to create our own research and development department, continually improving the construction and design of our roller doors. Over the years, we have made several innovative improvements to our garage doors, including a centre-lock feature, Nylofelt running strips, and pinch-free technology. Premium Materials Our garage doors are meticulously crafted with safety, reliability, and durability in mind. From the sturdy construction to the advanced features, every B&D; door is built to last. We use only premium, custom-designed components in our garage doors. Unlike our competitors, B&D; is the only manufacturer to build both our garage doors and openers. All of our garage doors and automatic openers are designed and tested right here in Australia. They are rigorously tested for up to 30,000 cycles, ensuring smooth operation for over 15 years if you open and close them five times a day. Our tough, reliable, and secure garage doors and openers are designed to protect your home for years. Market-Leading Warranty We believe in our products so much that in 2018 we launched our market-leading 10-year warranty. That's right when you purchase one of our sectional or roller doors with a B&D; opener, you'll be backed by a 10-year warranty, so you can trust in the quality and durability of our products. At B&D;, we're dedicated to providing you with the best possible garage door solution for your home. Like a Toyota Corolla or Volvo, our garage doors are meant to grow with you, from move-in day to life's milestones. When you buy a B&D; garage door, you're investing in a door that will last a lifetime.
