Australian Designed & Manufactured B&D; have been designing and manufacturing garage doors in Australia – for Australians – for the last 60 years. B&D; To You B&D; comes to you! All you need to do is give us a call or fill in our online form, and we'll reach out to you within 24 hours to set up your consult. How does B&D; To You work? B&D; To You is exactly what it sounds like — we come to you. All you need to do is give us a call or fill in our online form, and we'll reach out to you within 24 hours to set up your consult. Our consults usually last 2 hours. That gives us plenty of time to answer all your questions clearly and simply. You'll also get to have a play with large-scale samples, which really take the guesswork out of choosing. We know that shopping around for the best choice can get complicated fast. That's the beauty of B&D; To You: it keeps things nice and simple. With B&D;, there's no pressure, no obligations and no questions we can't answer. We're here for you, so make B&D; Doors your first choice for safe, secure, stylish and smart garage doors. Get A FREE Quote Get A FREE Quote Get A FREE Quote Need help finding something? We have a number of ways to help you find what you're looking for. If in doubt, give our friendly team a call. We'd love to hear from you. FAQ's FAQ's FAQ's Call us Call us Call us Dealers near me Dealers near me Dealers near me Make your home Safe as can B&D; B&D; manufacture a wide variety of roller and sectional garage doors to suit both your residential and commercial property needs. Browse our range of openers and accessories to help keep your home or business secure. You can even access and monitor your garage while you're away from home. Our garage doors can lock shut Did you know that when an ordinary garage door is shut, it's not actually locked? Like your front door, there are multiple ways B&D; can help you lock your garage door and protect the things behind it. AUTO LOCK™ heavy-duty bolt that locks your garage door every time you close it. Automatic Backdrive enables the opener to drive the door back down if it's being forced open, resisting any potential intruders. Secure, keyless entry with un-hackable remote control technology. AUTO LOCK™

AUTO LOCK™ AUTO LOCK™ Seamless control at your fingertips Pair your door with a smart phone control app and give access to anyone, anytime at the press of a button; even when you're not at home. Smart Phone Control Automatic garage opener Colours & styles to suit everyone Your garage is unique, which is why B&D; offer a wide range of colours and styles. Each garage door is custom made to fit your home so you can rest easy knowing that your garage door will blend in with your home's facade or stand out and make a statement, whatever suits your unique style. Cutting edge design An array of colour and finish options Customs made to fit your home Explore designs and colours Explore designs and colours Explore designs and colours Reliable as can B&D; Our garage doors and automatic openers are designed, tested and proven to work in unison, so you can be sure when installed together, your garage door will keep opening and closing many times a day, for many years to come. We are so confident in fact, we will back them with a 10 year total confidence warranty when you buy them together. B&D; Roller Garage Doors Roller doors are comprised of a steel curtain that moves vertically within the garage door opening and rolls up and around the drum. Roller doors are particularly suitable for garages with plenty of headroom above the opening or for outdoor or laneway property access. Roller Doors Roller Doors Roller Doors B&D; Sectional Garage Doors Sectional garage doors are made from a number of rigid panels that move along the garage ceiling when the door opens. Our Sectional garage door range offers the widest choice of designs and colours including windows on selected models. Sectional Doors Sectional Doors Sectional Doors Designer Finishes B&D;'s range of designer finishes blends form and function to bring you contemporary, architecturally inspired doors in stunning finishes and textures. Prompt service and attention at every step of the process. Very pleased with all aspects of customer service offered. Diane D., Melbourne We have 2 roller doors and both have been reliable over 3 years. They provide good security to our property which is a bonus. Congratulations guys Peter P., Melbourne The B&D; roller insulated door is very sturdy and very quiet opening and closing either by remote control or via the mobile phone app. It has added value to my house as well as fitting in with the colour scheme. I can recommend a B&D; roller door to all garage owners. Phillip S., Melbourne I had nearly 50 years of trouble-free operation from a pair of B and D roller doors on my garage. In 2019 when I purchased a car with wider doors, I had to replace the pair of doors with a single and an opener. The quoting and ordering process was simple. The installation went without a hitch. To date, the operation has been faultless. Kel Y., Melbourne Prompt service and attention at every step of the process. Very pleased with all aspects of customer service offered.
