Get A FREE Quote Get A FREE Quote Get A FREE Quote Why Choose B&D; Safe Reliable Quiet Smart Original At B&D;, we prioritise your safety. As a main assembly point, with family and friends coming and going, we understand that safety is paramount for a garage door. With several innovative safety and security features, a B&D; garage door will keep your family and belongings safe and secure. Added Security A standard garage door is vulnerable when closed. B&D;'s AUTO LOCK™ technology automatically secures your garage door with a heavy-duty bolt without manual intervention, ensuring your door is locked shut. Added Protection Accidents can happen in a flash. That's why B&D;'s sectional garage doors feature a pinch-free design to prevent fingers or hands from getting caught while the door moves. With pinch-free technology, everyone is safe, no matter how often the garage door is used. Safety and Security For extra safety and protection, B&D;'s safety beam will pause or reverse your garage door if there is any obstruction, providing peace of mind and convenience for people with mobility or disability challenges. Tough and reliable, our garage doors are built to stand the test of time. For over 65 years, B&D; has used the highest quality materials to craft our garage doors and consistently innovated and improved our products. Built to last As the inventors of the Roll-A-Door, B&D; has been at the forefront of garage door innovation. From our early days of on-site adjustments to our dedicated research and development team, we've continually perfected our products for durability and reliability. Market-leading Warranty As the only garage door manufacturer who manufactures garage doors and openers, we offer quality products that can't be found anywhere else. We believe in our products so much that we provide a market-leading 10-year warranty. Australian Made Safe, reliable and durable. Our garage doors and openers are made from premium quality materials and designed and tested in Australia. Rigorously tested for over 30,000 cycles, B&D; garage doors provide long-lasting performance. Peace and quiet shouldn't be a luxury. B&D;'s dedication to thoughtful design and engineering has resulted in garage doors that are not only durable but also operate quietly and smoothly. Quiet Glide Engineered with Nylofelt running strips, our B&D; roller doors provide a smooth and quiet garage door solution. So, whether you're coming home late or simply don't want to annoy your neighbours, you don't have to worry about your garage door. Peace and Quiet B&D; insulated doors are designed to create a quieter living space and block unwanted noise from inside and outside your garage. Quiet Convenience Unlike other garage door solutions, B&D; doors are designed for durability, quiet operation, and consistent performance. With B&D;, you can enjoy a peaceful and enjoyable living environment that enhances your daily life. Make life smart and simple with B&D;. Life can be stressful at the best of times, and our innovative garage door solutions eliminate the stress of wondering if you've closed the garage door or missed a delivery. Whether you're a busy parent or a working professional, B&D; offers convenience and peace of mind. Smart Phone Control Control your garage door from anywhere with B&D;'s Smart Phone Control Kits. Simplify your life and stay connected to your home, even when you're on the go. Our kits offer easy setup and reliable performance. Real-Time Notifications Designed to alert you whenever your garage door is opened, obstructed, or left open for a period, our B&D; smart garage door opener allows you to monitor your garage door from wherever you are. Enhanced Security Monitor, control and protect your home with B&D;. With the B&D; App, you can quickly and easily check your garage door, grant access to the postman or babysitter, and customise the settings to suit your lifestyle. Your house isn't a home without your valuable possessions. At B&D;, we understand that, and our innovative solutions have earned the trust of Australians for decades. From the invention of the Roll-A-Door to the invention of the Nylofelt running strips and smartphone application, we have been committed to providing reliable and market-leading garage door solutions for your home. Pioneering Innovation B&D; Garage Doors is an Australian icon. A staple of many Australian homes, we are known for our innovative garage door solutions, including the invention of the Roll-A-Door.
