The power packed compact design, which is 30% smaller than Axess Pro 1101, means an easier installation in a variety of limited space applications. It comes with the Logic Control System featuring LCD screen, customisable menu system, service indicator, 24-hour clock and storing 511 TrioCode transmitter codes. It easily integrates additional inputs. The Magnetic Automatic Limit Position System (M-ALPS) allows for easy set up and maintaining accurate limits. The Axess Pro 1505 is compatible with wireless PE Beams, which require less installation time. Get A FREE Quote Get A FREE Quote Get A FREE Quote Key features Heavy duty power Designed to operate extra tall, extra wide rolling doors or garage doors in high wind areas. Multiple control options Standard features include 1 wall button and 2 premium remotes featuring our patented TrioCode.1 128 technology for secure and reliable home access. Smooth operation Our DC motor with Soft Start /Soft stop feature reduces stress on the door and opener for longer life and makes for quieter operation. Optimal door pairing: Browse our range of commercial roller doors Whether you own a large warehouse, small storage space or shopfront, B&D's commercial roller doors are designed to protect your premises. Constructed from sturdy materials and featuring a range of key security features, each commercial roller door is custom-made to your exact requirements to ensure safety, security and easy operation. Commercial Roller Doors Commercial Roller Doors Commercial Roller Doors Warranty If purchased alone, the Access Pro 1505 comes with a two-year warranty (or 10,000 cycles). We know automating your commercial premises can be tricky Whether you're after a brand-new door and opener or looking to automate your existing commercial door, contact us to speak with a B&D; expert for a complimentary measure and quote.
