With a selection of input and output power variations, and a scalable suite of control and safety options, this combination of strength and smarts is an evolutionary step forward. It can be controlled either by a simple manual console, or the sophisticated logic control system with LCD screen, integrated time clock and TrioCode 128 technology. Get A FREE Quote Get A FREE Quote Get A FREE Quote Key features Heavy duty power Designed to operate extra tall, extra wide rolling doors or garage doors in high wind areas. Multiple control options Standard features include 1 wall button and 2 premium remotes featuring our patented TrioCode.1 128 technology for secure and reliable home access. Smooth operation Our DC motor with Soft Start /Soft stop feature reduces stress on the door and opener for longer life and makes for quieter operation. Optimal door pairing: Browse our range of commercial roller doors Whether you own a large warehouse, small storage space or shopfront, B&D's commercial roller doors are designed to protect your premises. Constructed from sturdy materials and featuring a range of key security features, each commercial roller door is custom-made to your exact requirements to ensure safety, security and easy operation. Commercial Roller Doors Commercial Roller Doors Commercial Roller Doors Warranty If purchased alone, the Access Pro 3100 comes with a two-year warranty (or 10,000 cycles). We know automating your commercial premises can be tricky Whether you're after a brand-new door and opener or looking to automate your existing commercial door, contact us to speak with a B&D; expert for a complimentary measure and quote.
