B&D's iconic Roll-A-Door has changed considerably since it was first introduced in 1956 yet remains instantly recognisable. Switch from the opening and closing of your garage door being a chore to being simple, secure and convenient, adding an extra layer of security with features like automatic back-drive that drives the door down if it senses unwanted forced entry. Smart as can B&D; Get A FREE Quote Get A FREE Quote Get A FREE Quote Automate your new or existing roller door. Adding a B&D; roller door motor to your garage door improves safety and security as you no longer need to worry about having to manually open and close your garage door late at night or in bad weather. The perfect blend of security and convenience. Our roller door openers are purpose designed to work with all B&D; roller doors and can even be added to an existing roller door, making it possible to add automation without replacing your garage door. Why automate? Not only does automating your new B&D; roller door make it easier to use, it also adds an extra layer of safety and security: Improves safety: In-built automatic reversing smarts reverses the door if it senses an obstruction is in the way. Increases security: Prevent unwanted entry with automatic back drive which forces the door back down if it senses unwanted entry. Added convenience: By ensuring you no longer need to worry about leaving the car to open or close your garage door late at night or in the middle of a storm. Which opener is right for me? All of our roller door openers are stress tested to ensure they open and close your garage door quickly and quietly, year after year, no matter the size of the door. All of our roller door openers include a soft start and soft stop feature that minimises the stress on the opener, while also helping to reduce noise when opening or closing the door. Both roller door motors require regular servicing at varying intervals to maximise the life of the motor, and thanks to built-in logics, your roller door motor will automatically alert you when a service is due. Power Drive is perfect for Roll-A-Door Neo & Roll-A-Door Roll-A-Pro is perfect for Roll-A-Door and Rollmasta If you have the Roll-A-Door Neo , or the Roll-A-Door , then Power Drive is the perfect partner. Our Power Drive motor has a greater pulling force, making it suitable for doors up to 16.5m² in size. Power Drive is backed by a

7-year/20,000 cycle warranty. Learn more about the Power Drive opener If you have a Roll-A-Door or Rollmasta door, Roll-A-Pro should be your go-to. The more economical Roll-A-Pro has a slightly lower peak pulling force, supporting doors up to 15m2 in size. The Roll-A-Pro comes with a 5-year/10,000 cycle warranty, suitable for lower use applications. Learn more about the Roll-A-Pro opener B&D; Roller Door Openers Roller Door Openers Roller Door Openers Roller Door Openers B&D; roller door openers keep you safe and secure Why you should protect your home with a B&D; opener. All B&D; roller door openers are stress tested to ensure they open and close your garage door quickly and quietly, year after year, no matter the size of the door. All B&D; roller door openers include a soft start and soft stop feature that minimises the stress on the opener, while also helping to reduce noise when opening or closing the door. All roller door motors require regular servicing to maximise the life of the motor. B&D; roller door motors are so smart they have built-in automatic alerts to tell you when your motor is due for a service. Even your car isn't that clever! Get our 10-Year total confidence warranty on all B&D; roller door openers when purchased in conjunction with a B&D; roller door. Learn more about our 10-Year total confidence warranty Learn more about our 10-Year total confidence warranty Learn more about our 10-Year total confidence warranty Play We know automating your garage can be tricky Whether you're after a brand-new door and opener or looking to automate your existing garage door, contact us to speak with a B&D; expert for a complimentary measure and quote. Garage Door Visualiser Garage Door Visualiser Garage Door Visualiser Get A FREE Quote Get A FREE Quote Get A FREE Quote Compare this door Compare this door Compare this door Grant access with the click of a button B&D;'s fully-integrated secure access solution puts you in control of managing and monitoring access to your home, whether you're there or not! Use your smartphone to help keep you, and what you value most, safe. Do you ever get parcels delivered to your home? Have you ever had to let a family member in while you were on holiday? Do you really know what time the kids got home last night? Never worry about racing home to provide access again! Play Safety and security upgrades Make your B&D; roller door opener even more convenient, while enhancing the existing safety and security features, by including one or more of these powerful add-ons. Keyless entry keypad Allow your children, dog walker, or contractor to open the garage door without the need for a remote. Keyless entry keypad Keyless entry keypad Keyless entry keypad Premium remote controls Additional remote controls can be purchased if you lose a remote, or simply need an additional set. B&D;'s Tri-Tran+ smart technology use advanced encryption technology to repel unwanted entry. Learn more here. Garage remote controls Garage remote controls Garage remote controls Smartphone Control Kit Both of our roller door motors both support the addition of our Smartphone Control Kit, which would allow you to control and monitor your garage door through your smartphone. Smart Phone Control Kit Smart Phone Control Kit Smart Phone Control Kit Safety beams Although our roller door motors are able to detect when the garage door makes contact with any obstruction and automatically stops and reverses, the addition of infra-red safety beams means the door won't even begin to close if the beam is broken. Safety Beams Safety Beams Safety Beams Why Choose B&D; Safe as can B&D; Reliable as can B&D; Quiet as can B&D; Smart as can B&D; Original as can B&D; At B&D;, we prioritise your safety. As a main assembly point, with family and friends coming and going, we understand that safety is paramount for a garage door. With several innovative safety and security features, a B&D; garage door will keep your family and belongings safe and secure. Added Security A standard garage door is vulnerable when closed. B&D;'s AUTO LOCK™ technology automatically secures your garage door with a heavy-duty bolt without

manual intervention, ensuring your door is locked shut. Added Protection Accidents can happen in a flash. That's why B&D's sectional garage doors feature a pinch-free design to prevent fingers or hands from getting caught while the door moves. With pinch-free technology, everyone is safe, no matter how often the garage door is used. Safety and Security For extra safety and protection, B&D's safety beam will pause or reverse your garage door if there is any obstruction, providing peace of mind and convenience for people with mobility or disability challenges. Tough and reliable, our garage doors are built to stand the test of time. For over 65 years, B&D has used the highest quality materials to craft our garage doors and consistently innovated and improved our products. Built to last As the inventors of the Roll-A-Door, B&D has been at the forefront of garage door innovation. From our early days of on-site adjustments to our dedicated research and development team, we've continually perfected our products for durability and reliability. Market-leading Warranty As the only garage door manufacturer who manufactures garage doors and openers, we offer quality products that can't be found anywhere else. We believe in our products so much that we provide a market-leading 10-year warranty.

Australian Made Safe, reliable and durable. Our garage doors and openers are made from premium quality materials and designed and tested in Australia. Rigorously tested for over 30,000 cycles, B&D garage doors provide long-lasting performance. Peace and quiet shouldn't be a luxury. B&D's dedication to thoughtful design and engineering has resulted in garage doors that are not only durable but also operate quietly and smoothly. Quiet Glide Engineered with Nylofelt running strips, our B&D roller doors provide a smooth and quiet garage door solution. So, whether you're coming home late or simply don't want to annoy your neighbours, you don't have to worry about your garage door. Peace and Quiet B&D insulated doors are designed to create a quieter living space and block unwanted noise from inside and outside your garage. Quiet Convenience Unlike other garage door solutions, B&D doors are designed for durability, quiet operation, and consistent performance. With B&D, you can enjoy a peaceful and enjoyable living environment that enhances your daily life. Make life smart and simple with B&D. Life can be stressful at the best of times, and our innovative garage door solutions eliminate the stress of wondering if you've closed the garage door or missed a delivery. Whether you're a busy parent or a working professional, B&D offers convenience and peace of mind. Smart Phone Control Control your garage door from anywhere with B&D's Smart Phone Control Kits. Simplify your life and stay connected to your home, even when you're on the go. Our kits offer easy setup and reliable performance. Real-Time Notifications Designed to alert you whenever your garage door is opened, obstructed, or left open for a period, our B&D smart garage door opener allows you to monitor your garage door from wherever you are. Enhanced Security Monitor, control and protect your home with B&D. With the B&D App, you can quickly and easily check your garage door, grant access to the postman or babysitter, and customise the settings to suit your lifestyle. Your house isn't a home without your valuable possessions. At B&D, we understand that, and our innovative solutions have earned the trust of Australians for decades. From the invention of the Roll-A-Door to the invention of the Nylofelt running strips and smartphone application, we have been committed to providing reliable and market-leading garage door solutions for your home. Pioneering Innovation B&D Garage Doors is an Australian icon. A staple of many Australian homes, we are known for our innovative garage door solutions, including the invention of the Roll-A-Door. We have been revolutionising the industry for over 65 years. Market leading warranty As the only manufacturer of both garage doors and openers, our products are tough, reliable, and secure. Built to last, we back our products 100 per cent and offer a market-leading 10-year warranty that gives you peace of mind. Trusted Australian Brand From humble beginnings to a household name, B&D has established itself as one of Australia's most trusted brands. Our garage doors are crafted with premium materials, ensuring durability, reliability and innovative design.
