[Wind-Rated Roll-A-Door Roller Doors](#) The B&D; Wind-Rated Roll-A-Door complies with the National Construction Code's high-wind requirements, ensuring your property is correctly protected. The B&D; Wind-Rated Roll-A-Door has been independently certified for use in all high-wind and cyclone-prone regions throughout Australia. Designed to provide resistance against high winds, B&D; wind-locked doors are ideal for homes and sheds, as well as commercial and industrial properties. [Tilt Doors Roller Doors](#) A tilt garage door is often found on smaller garages or car spaces, built as a single panel and reinforced with a frame. As their name suggests, the door opens by tilting outwards and swinging upwards. At B&D;, we believe safety and convenience should be the utmost importance in choosing the right garage door, which is why we do not manufacture tilt garage doors but rather a tilt door alternative called Flex-A-Door. [1 2 Key features of our roller door range](#) Garage roller doors consist of a metal curtain that rolls vertically to sit like a rolled up carpet directly above the door opening, leaving the ceiling area free. [Strength and durability](#) All B&D; Roll-A-Doors are tested for 20,000–30,000 up-and-down cycles, which means if you open and close your garage door five times per day, it will last over 15 years! [Superior home security](#) Roller doors can be fully automated for added security and peace of mind. B&D; automatic openers feature automatic backdrive, which automatically drives the door back down if it senses someone is trying to break in. They also feature built-in automatic reverse technology, which reverses the door if it senses something is in its way. [Roller door openers](#) [Roller door openers](#) [Roller door openers](#)

[Trusted and reliable](#) For peace of mind, all B&D; Roll-A-Doors are backed by B&D;'s 10-year total confidence warranty when purchased at the same time as an automatic opener, which means you can rely on your door to go up and down, over and over again for years to come. [Safe. Secure. Reliable](#) B&D; roller doors keep you and your family, safe as can B&D;. B&D; roller doors are incredibly safe and secure, featuring a sliding bar mechanism that locks internally, making them incredibly strong in the face of forced entry. [Brake press technology](#) B&D;'s unique 'brake press' technology stamps a rigid structural pattern into each steel Roll-A-Door. This ensures B&D; doors remain flat and strong for a lifetime. [Square-line profile](#) Reduces deflection in the door curtain caused by wind pressure meaning your B&D; roller door is less likely to be damaged in extreme weather. [Nylofelt running strips](#) Invented by B&D;, the Nylofelt running strips ensure all B&D; roller garage doors open and close seamlessly and quietly. Why Choose B&D; Safe Reliable Quiet Smart Original At B&D;, we prioritise your safety. As a main assembly point, with family and friends coming and going, we understand that safety is paramount for a garage door. With several innovative safety and security features, a B&D; garage door will keep your family and belongings safe and secure. Added Security A standard garage door is vulnerable when closed. B&D;'s AUTO LOCK™ technology automatically secures your garage door with a heavy-duty bolt without manual intervention, ensuring your door is locked shut. Added Protection Accidents can happen in a flash. That's why B&D;'s sectional garage doors feature a pinch-free design to prevent fingers or hands from getting caught while the door moves. With pinch-free technology, everyone is safe, no matter how often the garage door is used. Safety and Security For extra safety and protection, B&D;'s safety beam will pause or reverse your garage door if there is any obstruction, providing peace of mind and convenience for people with mobility or disability challenges. Tough and reliable, our garage doors are built to stand the test of time. For over 65 years, B&D; has used the highest quality materials to craft our garage doors and consistently innovated and improved our products.
