Get A FREE Quote Get A FREE Quote Get A FREE Quote Is your home secure? Your front door has a lock, and so do your windows, but what about your garage door? Your home should be your safe haven. The one place you can truly relax, and know that you and your family are secure. But is your garage door locked? It's the largest entrance to your home, and often has an internal door that leads into your house or backyard. Security is essential. Although two thirds of Aussie homes have garage doors, most are simply closed, not locked shut. B&D; garage doors lock securely shut, keeping intruders out and your home secure. Like your front door, there are multiple ways to secure your garage door and protect the things behind it. Roll-A-Door Secure The garage door is the largest entry point to the home, yet it is often overlooked. Your garage door deserves the same uncompromising security as every other entry point to your home. For decades, roller doors were built to close. Roll-A-Door Secure is built to protect. Roll-A-Door Secure Roll-A-Door Secure Roll-A-Door Secure AUTO LOCK TM AUTO LOCK TM is a built-in heavy-duty bolt that automatically locks your garage door every time you close it, ensuring that your door isn't just closed it's locked shut. If you have a sectional garage door, AUTO LOCK TM is a must. AUTO LOCK TM AUTO LOCK TM AUTO LOCK TM Safety Beams Safety Beams provide an additional layer of protection, sending an invisible beam across your garage door opening. When broken, the beam stops it from closing on children, pets or property - keeping everyone and everything safe. Head out on a walk with nothing but your mobile or let the kids in after school without having to leave your office. It's convenient and easy access to your home no matter where you are. It even has voice control, for times when your phone isn't within reach. Smart Phone Control Kit Smart Phone Control Kit

Smart Phone Control Kit Battery Backup In the event of a power outage, the last thing you need to worry about is having your car locked in or yourself locked out of your own garage. Battery Backup works when you need it to, during emergencies like floods, fire, or even every day scheduled outages. Don't let yourself get stuck, add battery backup to your B&D; opener today. Battery Back Up Battery Back Up Battery Back Up Safe as can B&D; At B&D;, we prioritise your safety. As a main assembly point, with family and friends coming and going, we understand that safety is paramount for a garage door. With several innovative safety and security features, a B&D; garage door will keep your family and belongings safe and secure. Play Strong and sustainable If your garage isn't doing much more than simply storing your stuff, let us help you make better use of the space. If you're looking to make your home more comfortable and energy efficient, opting for garage door insulation can make all the difference. As well as saving on heating and cooling costs, insulation acts as a two-way noise barrier, making for a quieter and stronger garage door. Insulations & Seals Insulations & Seals Insulations & Seals Control your door from your smartphone If you often leave the house and think 'did I shut the garage door?' – a smart garage door opener is an investment worth considering. Get a notification on your smartphone when someone opens or closes your garage door. Never again wonder what time the kids really got home last night, just check your phone! Let the dog walker, cleaner or tradesman in while you're at the office with a quick tap of your B&D; app. Experience total peace of mind on your next holiday or trip away with B&D;'s smartphone control. Are you an avid online shopper with multiple parcels arriving throughout the week? Prefer to skip the supermarket queues and get groceries delivered to your door? Need to grant access to tradies or family members? Or perhaps your kids, who are constantly losing their keys. Are you fed up with getting locked outside? With a smart garage door opener, you can safely and securely open your garage door with your smartphone, from anywhere in the world. You can also easily manage who has access to your garage, set opening heights and restrict access times, as well as monitoring the entire garage via video.
