Declaration In accordance with the Rules, as the Manufacturer, B&D; Australia Pty Ltd declares that: the Products have been manufactured in accordance with the Security Standard; and has complied with all other obligations relating to those Products under the Security Standard. In particular: Password Security Each Product is manufactured so that: any password used in relation to the Product's hardware or relevant software is unique to that individual Product; or the user is required to define the password before first use of the product. Vulnerability Reporting and Handling Any user may report vulnerabilities relating to any Product to the Vulnerability Reporting Contact through emailing, security@bnd.com.au . If a user reports a vulnerability, the B&D; Australia Pty Ltd will: acknowledge receipt of the report and investigate the vulnerability; provide a status update to that user while the vulnerability is being investigated; and disclose and report vulnerabilities in accordance with the Rules and the Vulnerability Disclosure Process. Security Updates and Defined Support Period B&D; Australia Pty Ltd will provide security updates for each Product until the end of the Product Support Period as provided below.
